

Warsaw, 1 April 2025

DOOŚ-TSOOŚ.440.10.2023.ZM.6

According to the distribution list

The ruling on the scope of the EIA report for the project entitled "Construction and operation of a small modular nuclear power plant with a total capacity of up to 1300 MWe using BWRX-300 technology in Ostrołęka, Municipality of Ostrołęka" – for your information

Dear All,

as the EIA procedure for the planned project entitled "Construction and operation of a small modular nuclear power plant with a total capacity of up to 1300 MWe using BWRX-300 technology in Ostrołęka, the Municipality of Ostrołęka" is being conducted in Poland, the following countries have expressed their wish to participate in the transboundary EIA procedure as an Affected Party: Czech Republic, Federal Republic of Germany, Slovak Republic, Republic of Austria, Republic of Lithuania, Republic of Belarus.

The General Director for Environmental Protection (GDEP) is the authority competent for issuing EIA decisions for investments in the construction of nuclear power plants, as well as for issuing the ruling on the scope of the EIA report. When issuing this ruling, the GDEP considered the comments and positions submitted by the aforementioned Affected Parties.

Please find enclosed for your information the ruling of the General Director of Environmental Protection of 28 January 2025, marked: DOOŚ-WDŚI.420.48.2023.SP.25, determining the scope of the EIA report for the project entitled "Construction and operation of a small modular nuclear power plant with a total capacity of up to 1300 MWe in BWRX-300 technology in Ostrołęka, Ostrołęka Municipality".

Yours sincerely,

DOROTA TORYFTER-SZUMAŃSKA
Deputy Director
Environmental Impact Assessment
Department
