REGARDING NOTIFICATION PURSUANT TO ARTICLE 3 OF THE CONVENTION ON ENVIRONMENTAL IMPACT ASSESSMENT IN A TRANSBOUNDARY CONTEXT REGARDING A PLANNED OFFSHORE WIND FARM “SAARE 1” IN THE BALTIC SEA

This letter is the formal reply to the Notification pursuant to Article 3 of the Convention on Environmental Impact Assessment in a Transboundary Context (Espoo Convention) regarding a planned offshore wind farm “Saare 1” in the Baltic Sea.

Ministry of Environment of Lithuania, as an authority responsible for coordination of the transboundary Environmental Impact Assessment process in accordance with Espoo Convention published the received documentation on its website and distributed it to the relevant national authorities, providing an opportunity to submit comments and proposals.

Ministry of Environment concluding the results of the consultations with public and national authorities:

- acknowledges the receipt of the notification,
- informs, that Lithuania does not identify possible significant negative transboundary impact on the environment of Lithuania and does not intend to participate in the transboundary consultation process as the Affected party,
- kindly asks to provide the information about the decisions taken after completing the environmental impact assessment.

Yours sincerely,

Vice-minister
Akvilė Gargasaitė
